Please read: Dear Parents, It is essential to the operation of the Yeshiva that students depart and arrive on time from every vacation and out-Shabbos. When special circumstances arise, we will work with parents to find arrangements that do not disrupt the effective operation of the Yeshiva - such as leaving over an in-Shabbos. Please understand that the Yeshiva is not in a position to extend a vacation in either direction. It is possible that changes will be made to the schedule due to unforeseen circumstances. Thank you in advance for your understanding.
