

TALMUDICAL INSTITUTE OF UPSTATE NEW YORK

DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM

BIENNIAL REPORT- 2022

Objective:

To determine the effectiveness of the Drug Prevention Program currently in effect at Talmudical Institute of Upstate New York and to provide statistical data regarding the number of disciplinary sanctions imposed and the number of referrals for counseling and treatment during the 2020-2021 and 2021-2022 academic years.

Description of the Drug Prevention Program Elements:

The institution is committed to maintaining a drug free campus and has adopted a strict Drug and Alcohol Policy to achieve this goal.

1. The Drug and Alcohol Policy lists the disciplinary sanctions to be imposed on all offenders. The policy enumerates the Federal, State and local penalties as well.
2. Included in the Drug and Alcohol Policy is a list depicting some of the health hazards associated with drug and alcohol use.
3. The institution urges individuals to seek assistance and support. Help is available through national and community resources and hotlines including, but not limited to, the following:
 - a. National Council on Alcoholism and Drug Dependence, Inc. (NCADD)
Telephone: 1-800-NCA-CALL (622-2255)
Website: <https://ncadd.us/>
 - b. **Amudim**
Telephone: (646) 517-0222
Email: info@amudim.org
Website: www.amudim.org
4. The academic program at Talmudical Institute of Upstate New York promotes an ethical, moral and healthy lifestyle. Students and employees must adhere to Jewish laws in their personal conduct at all times. The use of drugs is antithetical to the lifestyle which our students and faculty are expected to maintain.

Statistics:	2020-2021	2021-2022
Number of drug-related violations	0	0
Number of alcohol-related violations	0	0
Number of drug-related fatalities	0	0
Number of alcohol-related fatalities	0	0
Number of sanctions imposed by the institution	0	0
Type of sanctions imposed by the institution	N/A	N/A

Summary:

In light of the statistics listed above, we conclude that the Drug Prevention Program has achieved its goal and can be deemed effective.

Recommendations for Revising the Drug Prevention Program: None
